

Dear LEA School Psychology Coordinators;

1 November, 2011

Internship and Employment Recruitment Opportunity Postings

Now available on MSPA Website

The Maryland School Psychologists' Association website is in a unique position to place your recruitment needs before the eyes of its talented and qualified membership.

In addition to many fulltime school psychologists, MSPA members include part-time, retired, and associate members who may be able to assist with your LEA's part-time, per diem, or substitute employment needs.

Student members of MSPA are often seeking internship experiences and full-time regular employment.

Eligibility for recruitment notices: The request must come from the Coordinator of Psychological Services (or designated representative). Requests from employment agencies will be declined.

Costs: Free; this is considered to a mutually beneficial effort between MSPA and the Maryland LEAs.

Fine Print: Posting of employment notices is a gratuitous effort. LEAs are considered responsible for the accuracy of submissions. MSPA reserves the right to withdraw postings at anytime, for any reason.

Please see the attached for a sample submission.
